Curriculum Items	A, C, D, F, GE	Motions	Vote Results	Action/Discussion
INFORMATION ITEMS				
Fee Process Update				Erin thanked everyone for their patience with the implementation of the fee committee. She recommended chairs who have not yet submitted fee changes work with Wendy Schatzberg to make sure forms are filled out properly and to have any questions answered. A link to the forms is available on the UCC website.
Meeting to Discuss Procedures				Erin said she would like to schedule a meeting at the end of the semester to discuss non-approval, procedural items. She will conduct a vote via email to determine support for such a meeting and will conduct a doodle poll to find an appropriate time.
PROGRAM ACTION PROPOSALS				
Certificate of General Studies			TABLED	Erin announced that the Certificate of General Studies proposal had been tabled because of logistical issues in carrying it out.
College of Health Sciences				
BS in Population Health – Health Care	A	M: Brent Yergenson	APPROVED	Add BS in Population Health – Health Care

Administration Emphasis BS in Population Health – Public Health Emphasis		S: Sean George Restatement of motion to approve programs and courses together: M: Nate Staheli S: Sean George	18 aye 1 nay 2 abstained	Administration Emphasis and BS in Population Health – Public Health Emphasis Erin reminded everyone that the Population Health degree with three emphases had been tabled at the last meeting because courses had not been created. Since then courses for two of the emphases have been created and are on the agenda today. The third emphasis has been dropped. There was discussion of how many students would be involved in the program and whether the program had changed with the deletion of one emphasis. It was noted that these programs had been discussed extensively at the last meeting and approved contingent upon approval of curriculum. The new courses (HLTH prefix) were presented and discussed. The program is not borrowing courses from other departments, but has created their own courses.
BS in Dental Hygiene BS in Medical Laboratory Science AAS in Medical Laboratory Science AAS in Medical Radiography ADN in Nursing BSN in Nursing AAS in Physical Therapist Assistant AAS in Respiratory Therapy AAS in Surgical Technology	C	M: Cheri Crenshaw S: Kendra Jensen	APPROVED 1 abstained	Standardize prerequisites Change prerequisite of MATH 1030, MATH 1040, or MATH 1050 to MATH 1040; where applicable, change CHEM 1010 or CHEM 1110/1115 to CHEM 1110; where applicable, change PSY 1100 to PSY 1010 or PSY 1100 Patricia Wintch explained that advisors had requested that prerequisites be standardized among different programs to remove barriers to students who may change the program to which they apply.
College of Science & Technology				
BS in Computer and Information Technology (no emphasis) BS in Computer and Information Technology – Digital Design Emphasis BS in Computer and Information Technology – Web Design and Development Emphasis	C	M: Vicky O’Neil S: Munir Mahmud	APPROVED	From the Core Discipline Requirements: remove DES 2500 and add DES 2300

BA/BS in Integrated Studies – Digital Design Emphasis BA/BS in Integrated Studies – Web Design and Development Emphasis Minor in Digital Design Visual Technologies Certificate Admission Requirements for BS in Computer and Information Technology – Digital Design Emphasis				
BS in Computer and Information Technology – Information Technology Emphasis Minor in Web Design and Development	C			From the Elective Courses list: remove DES 2500 and add DES 2300
PROGRAM CONSENT PROPOSALS				
College of Business & Communication				
BS in Communication Studies – Health Communication Emphasis	C	M: David Harris S: Cheri Crenshaw	APPROVED	From existing emphasis requirements list create two categories of core requirements and emphasis requirements. Existing list becomes core requirements. Under core requirements add COMM 3060 and COMM 4450 (34 credits). Move COMM 3180, COMM 3200 and COMM 3230 to emphasis requirements (9 credits). From electives list, delete COMM 3060 and COMM 4450; change elective credits required from 15 to 9.
College of Health Sciences		M: Cheri Crenshaw S: Vinodh Chellamuthu	APPROVED	The two College of Health Sciences proposals were considered and approved together
BS in Dental Hygiene	C			Remove DHYG 4530 from degree requirements; change credits for DHYG 4010, DHYG 4020, DHYG 4030, and DHYG 4570 from variable 2-3 to 2. There was discussion about why workload and contact hours were being increased on some courses but credit to the students was not. There was discussion about how workload was calculated. It was noted questions about workload should be referred to the Workload, Evaluation and Compensation Task

				Force.
BA/BS in Integrated Studies – Recreation Management Emphasis	C			Under required courses change PEHR 2700 to RSM 2700 OR RSM 3000; change PEHR prefix to RSM prefix for all courses; change the following course numbers: PEHR 1112 to RSM 1110, PEHR 2601 to RSM 2600, PEHR 3220 to RSM 4000, PEHR 3780 to RSM 4400
